**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a customer of a very very underserved community, where the FCC said we had sufficient internet services and connectivity this action by At&T to remove our only source of reliable service is appalling.

Sonic and Race Communications (independent providers) have been our lifeline to reliable connectivity.

In todays day it is imperative to have the availability to reliable connectivity at a cost that is managable.
